Health Depends on Kidneys

Whole System Suffers if They are Deranged.

Health is an absolute impossibility when the kidneys are out of order. The explanation is simple. Life cannot be lived without waste. The blood sweeps through arteries and veins, supplying vitality to every organ and part, gathers up the waste matter and carries it the blood all the poisonous deposits and to pass them on to the bladder for expulsion. When any part of the kidneys is inflamed, the purifying is less perfectly done. The kidneys and veins are clogged with poisonous matter. If you are troubled with pains in the back, dizziness, aching joints, nauseau, or other symptoms of kidney disease, you should lose no time in testing Warner's Safe Kidney and Liver Remedy. It is considered by many physicians to be an excellent remedy in the treatment of diseases of the kidneys, liver and blood. It reversely the tissues, soothes inflammation and irritation, awakens the torpid liver, aids digestion, stimulates the enfeebled organs, and will give you that sense of well-being which attends perfect health.
